ARLY MEETING OF FRIENDS
FOR NEW ENGLAND

Lecos of the

THE FRIENDS IN BRENTWOOD.

Communicated by Rev. Benjamin A. Dean, A. B., of Medford, Mass.

Almsbury 1751 : 5 : 18 Benjamin Scribner, James Beane and Samuel Dudley requested liberty at this meeting to hold meetings at Brentwood * * * the last first day of every month * * * which request was granted them so long as they behave themselves orderly &c. Also David Clifford desired the care of this meeting which was granted.

Hampton 1752 : 6 : 18. James Beane, Samuel Dudley, Benjamin Scribner and David Clifford desired that their meeting may be held at Brentwood on every first day of the week which was granted.

Hampton 1752 : 8 : 20. It being reported that there are disorders amongst the people of Brentwood, this meeting appoints B. Hoag and Robert Rogers to visit said meeting and make inquiry into the affair and report to our next monthly meeting how they find things amongst them. 1752 : 9 : 28. Almsbury The Report of those appointed to visit the people of Brentwood is that there is disorder amongst them, two speaking at a time in their meetings. * * This meeting appointed Obadiah Johnson, John Peaslee and Abraham Dow to labor with those of the meeting at Brentwood that desired Friends care if possible to persuade them to comply with the good order practised amongst (Friends); also that the Friends let them know the minutes that are made amongst Friends relating discipline.

Hampton 1753 : 2 : 15 : To James Beane, Samuel Dudley, Benjamin Scribner and David Clifford. You having desired the care of our monthly meeting * * * also requested, with said liberty, to hold a meeting at Brentwood which we allow was granted so long as you behaved orderly and according to the practices of Friends in general: now it publicly appearing to several of our Friends that your behavior is disorderly and the meetings you say are appointed for the worship of God. * * * In several particulars as followeth, viz.: Firstly in several persons men and women speaking at one time in your meetings, which is to be condemned by all Christian people that pretend to worship God. Secondly as to your saluting each other men and women old and young pretending to be a kiss of charity, is not to be commended in the way and manner it is practised in your meetings: its to be feared will prove of ill consequence if you continue therein. Thirdly as to your holding meetings at unseasonable Friends' days or nights is contrary to the practice of Friends and not to be justified amongst us. And for the before mentioned practices with other disorderly behavior and speeches not becoming the profession of truth its expected you will give an answer to any reasonable question that shall be asked any of you and that you will conform to the good order and discipline used amongst us as a people, and condemn all such behavior and speeches that you have been in the practice of in the time past that are contrary to the principles and practices of Friends in general. Now we desire your answer in writing to the particulars before mentioned; the which if you refuse or neglect, we judge ourselves obliged to publicly declare to the world that you are not of us. Signed by order and on behalf of our monthly meeting holden at Hampton the 15th day of the 2d month 1753 or at adjournment of said meeting on 21st of said month by Philip Rowell, clerk.

Hampton 1753 : 4 : 19. Also received from Brentwood in writing an answer to them signed by Benjamin Scribner and David Clifford. James Bean and Samuel Dudley refused to sign it. Said writing was not to Friends satisfaction therefore not recorded here.

Almsbury 1753 : 5 : 17. House of Jacob Rowell. Upon consideration of the practices of the people of Brentwood it is the mind of this meeting that whereas Friends give liberty to hold a meeting at Brentwood, that they hold a meeting there no more from this time in the unity of Friends until they condemn the disorders that has been in their meetings for worship at Brentwood. The Almsbury and Hampton meeting withdrew fellowship from James Beane 1753 : 6 : 21; from Samuel Dudley 9 : 20; from Benjamin Scribner, David Clifford and Jonathan Glidden 1756 : 10 : 21.

The following paper is from original ms. preserved in Brentwood:

To the friends or people called Quakers belonging to Hampton. Dearly beloved wee having receaved your Letter Dated ye 15th of ye 2 month 1753 signed by order of the Monthly meeting in said hampton as sayeth Philip Rowel Clerk, wherein you, or therin you take notice of Severall misdemeanors or disorders practised amongst ye friends att Brintwood; And desired an answer to the said Letter in writing but wee take notice in your said Letter that you have not Fixt any sett time for our returning our said answer for which wee give you our thanks and take it as a feavor for that we have had time for a more acute observation & mature Consideration as to the matters of fact alledged against us the Friends at Brintwood and upon the serious consideration of the whole; dearly beloved wee think that the articles aledged against us as the substance of them are groundles; for as to the first objection in your Letter of severall speaking at a time; in time of divine service or worship it is not common neither do wee approve of it; as to the second objection of saluteing one another there is so many Instances of it in scripture that we are astonished that you should stumble at that; But as to Itts being practised in time of worship wee deny; and as to ye 3 objection of unseasonable meetings wee think that there is no time unseasonable for praying or Preaching Iff the Lord dispose us to itt by his spirit; And as to the many more disorders you hint at it is impossible wee should answer to them, as you have been so unkind as not to mention particulars, And so dearly Beloved Brethren wee submit the matter to your serious consideration And if wee are weak treat us as babes as brethren and as frinds; and let us not Bite and devour one another but let us Bear one anothers burdens and so fullfil the Law of Christ. So no more but wee Remain your Loving christian Brethren and Frinds as wee think wee are in Duty Bound Farewell.

Dated at Brentwood ye 3d day of ye 4th month Called April 1753.

Dear Sir: The enclosed slip I sent to the Exeter News Letter, copying, you remember, a part of it from your Chh. Records: the latter part I found in the Hands of Mr. Justus Bean, a probable descendant of James Beane the Friends Preacher who in 1779 was in prison for war taxes: (I suspect such anti-war convictions). You will do well to paste this slip into your Records: it will also appear in the Mass. Historical & Genealogical Register for July next. It reveals great prudence & faithfulness in the Quaker discipline of the middle of the 18th century.

To the Monthly meeting;

The Committee appointed in the 12th mo. 1860 to visit [illegible] meeting and to have some care thereof, report, that we have not been unmindful of our appointment; that most of us have visited that meeting and a part of our number [illegible] most of the families constituting it. We have endeavored to encourage and strengthen the weak; to arouse the careless and indifferent; and to impart such counsel as we were enabled to, and way seemed to open for. These visits have been to our own peace and we hope not wholly in vain to the visited. We would still commend that meeting in its low state to the careful consideration of the Monthly Meeting believing that while lukewarmness and indifference seem to prevail with some, there are others who earnestly desire to be found in the way of well doing, who need the encouragement and sympathy of their friends.

"To Dartmouth Monthly meeting of Friends"

The committee who were appointed to visit and correspond with our members who are not in the habit of attending meetings report -
There are those who are attached to the society and its principles but are so circumstanced it is difficult for them to attend meetings in such cases we think it would be well to visit, hoping the time will come when they may be able to meet and worship with their Friends -
There are others who could attend meeting but manifest no desire to do so or to retain their right of membership and while we would gladly keep all our members within the fold, it seems to us where the privilege of membership is so lightly esteemed so entirely thrown aside it can be no benefit to them or the society whose name they bear

Dear Friends
Louie E. & Lucy T. Folsom and Alice L. Nichols—

When assembled in our last Mo meeting and enjoying together the blessings that flow from religious intercourse, our thoughts were turned in loving interest to you, our fellow members in your far Western homes, and deprived as you are at present of many christian associations and privileges, which in days gone by you so highly prized, and we desire to send you a word of heartfelt greeting and the assurance of our continued affectionate remembrance — It is indeed a comforting and cheering thought; that all who love the Lord Jesus Christ in sincerity however widely separated they may be, are a part of the same favored heritage and may salute one another as brethren and sisters united in the holiest of bonds and that our prayers for each other, and for the prosperity of the Church may sweetly ascend together unto Him who heareth and answereth the petitions of His dependent children.
We feel a tender sympathy for you dear friends in your present somewhat isolated situation, meeting with those whose views of religious worship and service are

fully in harmony with your own, but we rejoice in believing that as you endeavor to look with a single eye unto Him Who has promised to be the Savior, and Leader and Teacher of His people, who is Head over all to his Church, He will enable you to uphold faithfully the banner He has given you to display because of the Truth and His peace which no outward surroundings can disturb will be sweetly realized and you will not only be one another's helpers in the Lord but your lamps fed with Heavenly oil, will shine out with a clearer light, and others beholding your good works will be led to glorify our Father who is in Heaven.-

We trust the smallness of your numbers will not discourage you from meeting in the love of Jesus, as often as practicable for social worship feeling assured that such service will be accepted of the Lord and be returned in blessing to your souls. Thus mingling with each other from time to time diligent in the daily prayerful perusal of the Holy Scriptures that inestimable storehouse of Spiritual comfort and instruction, and dwelling in the precious fellowship of Christ, your hearts will often be filled with joy and Thanksgiving and you will be prepared to work more and more effectively for the Master in the in the broad fields of service opening around you, And how precious is the assurance dear friends that confessing the same Lord animated by the same spirit and cheered by the same glorious hope, though called to tread in very different paths during this pilgrim journey, we may all be striving for the same blessed rest realizing in spirit the strength and joy of Christian fellowship and at last be permitted to meet among the faithful servants, fellow heirs of an inheritance incorruptible undefiled and that fadeth not away, reserved in Heaven for those who are kept by the power of God through faith unto salvation,

Trusting this little message of love may be to you as a word of cheer and tend to keep bright the chain of Christian friendship between us and that we may be favored from time to time with similar messages from you we remain your affectionate friends.

Signed on behalf of Seabrook Monthly meeting of Friends held 6 Mo 5. 1883.

The following is a Minute of the Representative Meeting of the Yearly Meeting of Friends for New England, at a Special Meeting of that body, held in Boston, Mass., Tenth Month, 16th, 1886, viz:

The Representative Meeting of the Yearly Meeting of Friends for New England, recommends that our members maintain true and faithful loyalty to the said Yearly Meeting and its injunctions, more especially in relation to the matter contained in Minute No. 56 of the Minutes of 1885. which is as follows. viz:

> "We desire to protect our membership from all influences which are not in accordance with the clear testimony of our Religious Society and the teaching of the New Testament. We believe in the Spiritual nature of Christ's kingdom, and that all outward ceremonies have been fulfilled and ended in Christ. This Meeting records its judgment for the guidance of its Subordinate Meetings, that those holding or teaching a contrary doctrine cannot be received as acceptable Ministers of the Society of Friends, within our limits."

And the Representative Meeting authorizes and directs that Subordinate Meetings in said Yearly Meeting shall not receive the Certificates or issue Returning Minutes for Ministers or others in cases in which any doubt exists as to the unity of such persons with said Yearly Meeting or its instructions. And it further authorizes and directs the clerks and correspondents of such Subordinate Meetings to withhold their signatures from such Minutes, if issued or attempted to be issued.

The Meeting was brought under an earnest concern for the welfare of the Church in the present emergency. It was the desire of the Meeting to uphold all that is good, while it testifies clearly against anything that would compromise either the doctrine or established position of the Society of Friends in regard to the so-called outward ordinances or other fundamental principles.

We therefore appoint Benjamin F. Knowles, Richard Battey, Owen Dame, Hannah J. Bailey, Ellen K. Buffum, Timothy B. Hussey, George Howland, Jr., Susan T. Thompson, Anna G. Wood, Lydia C. Neal and Reuben T. Jones,—a Committee to extend Christian care over the Subordinate Meetings of our Yearly Meeting, and to advise and assist in preventing such Ministers or others not in unity as above mentioned, from being received or endorsed by Friends or Subordinate Meetings, contrary to the concern of this Meeting and the intent of the preceding Minute.
